Week of 04-13 / 04-17

What we will be doing this week????

Reading: The students will review the vocabulary words learned throughout the year. I will use different strategies to reach their needs, such as: projects and games based learning. This week I will try to reinforce reading and comprehension skills throughout the story posted in IAC or worksheets. I urge all the parents to encourage their kids to read out loud by their own.

Writing: Students will practice writing Arabic words using their notebooks & their small boards.

Listening: Students should watch the story in IAC, read it fluently, identify the characters, and answer the questions.
