

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

My name is Hasna Kabadou and I will be teaching your children Arabic this year. I hold a bachelor's degree in Economics and I took many MBA classes. I taught Arabic and Quran classes for many years.

I welcome the opportunity to serve your children and I consider it a great privilege and responsibility to be your child's teacher. I assure you that I will do my best to make sure all the kids will get the best education.

I believe that parent-teacher relationships are necessary for maximum school success, therefore I would like to stress that your cooperation and involvement are critical in achieving this objective. I am strongly confident that by working together we will make this year a very successful learning experience for our children.

Throughout the school year, I will communicate with you through notes, telephone calls, emails, report cards and parent-teacher conferences. I encourage you to contact me if you have any questions or concerns.
